And which groups of run-on/determine words are full sentences and which are the pieces. Learn punctuation worksheets to use time, question marks, commas, and quotation marks correctly. English Language Arts Worksheets Worksheets cover all fields reading, writing, phonics, and spelling. A complex sentence consists of a main section and one or more subordinate segments. Find and underline the independent sections in each sentence below. Combine each set of sentences below to create a new sentence. Use the word in parentheses to match sentences. Change the simple sentences below into system wide sentences. A subordinate clause (dependent clause) does not express a full view, and must be attached to a main section. Read each set of sentences below. Create a sentence that will indicate to the reader that the sentence in parentheses is most important. Connect each of the following sentences to the corresponding, independent section to form a concrete sentence. Use words like after, though, who, who, when, until, when, then that, or since. Underline the subordinate sections in each sentence below. Add a comma where necessary. 5 Write the original sentence. Include a functional segment for each indicated in parentheses. Use the subordinate sections below as seedlings to develop them into complete complex sentences. Type your sentence in the box. If it's a simple or compound sentence, retype it, add or change the information to turn it into a refined sentence. Use your imagination to turn the simple sentences below into a complete and complex by adding subordinate sections. Check the correct box to indicate the type of sentence. Underline the subordinate sections in each sentence below. Add a comma where necessary. Identify each sentence as compound or complex. Change the simple sentences below into complete sentences. a sentence.
